

A photograph of a room corner. On the left, a white chair with a gold patterned seat cushion stands next to a tall, dark wood floor lamp with a large, conical, cream-colored shade. To the right, a white, ornate table with curved legs and decorative metal handles holds a white vase with white lilies. A framed abstract painting is on the wall above the table. The wall is covered in vertical stripes of light and dark grey. The floor is dark wood with a herringbone pattern.
