

Escama (Maritima Ceramics)

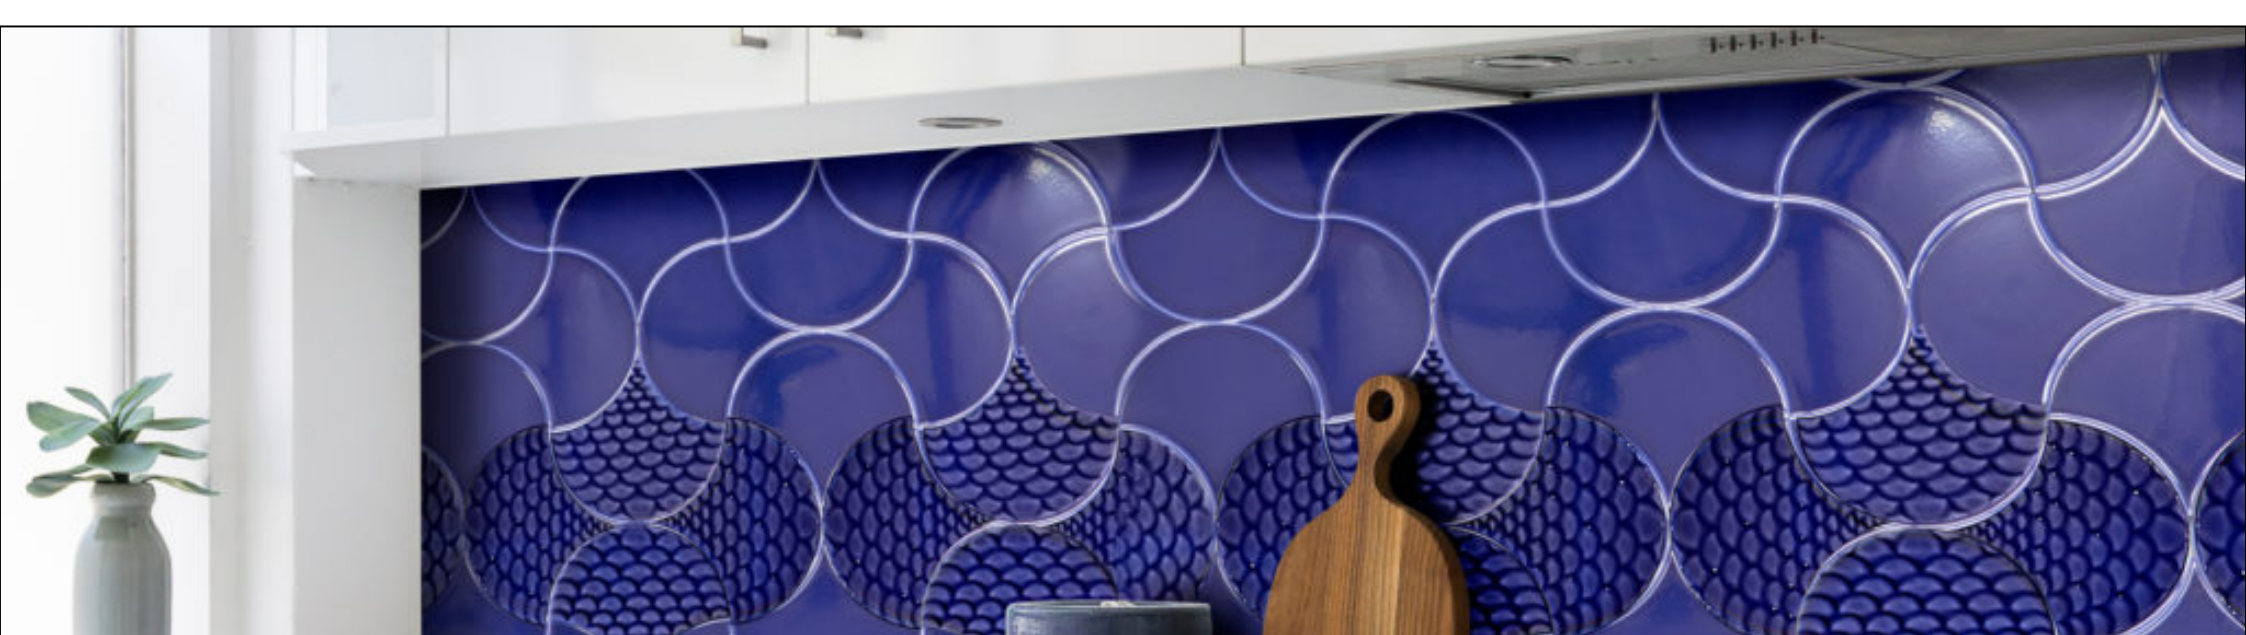

Escama (Maritima Ceramics)

A modern bathroom sink is the central focus, set against a vibrant teal fish-scale patterned backsplash. The sink is a wide, shallow, white ceramic bowl. To the left, a dark wood tray holds a white soap bar, a white bottle, and a small sponge. The sink is mounted on a light-colored countertop. A white text box is overlaid on the right side of the image.
