

Serpeggiante (Moreroom Stone)

A modern interior design scene featuring a wall of light-colored wood paneling with a central section of vertical slats. In the foreground, a wide, low-profile ledge made of a grey stone material is illuminated from below. On the ledge, there is a small, glowing rectangular lamp and a small white object. The floor is covered in a light-colored, patterned stone tile. A doorway in the background shows a glimpse of another room with a chair and a desk.
